IMPORTANT MESSAGE FOR YOU

Hey, Kids –

Tooth Fairy Extraordinaire Here!

If you've read the new book about me, the one perfectly titled "You Think It's Easy Being the Tooth Fairy?," then you know how hard I work every single night picking up teeth.

But am I writing to tell you what a great book it is (which it is), or how cute I look (which I do!)? NO, though I could spend hours doing so. ;-)

I'm writing to remind you to do two important things every single day: BRUSH and FLOSS! Why? Because some of your teeth are getting all holey—and pulled by the dentist before they're ready to come out! Keep that up, and I'll be out of a job!

Sure, a vacation would be nice. But I'm not ready to retire! I WANT TO PICK UP TEETH! It's the sweetest part of my life!

Okay, chocolate milk...and chocolate cake...and hot chocolate make it pretty darn sweet, too. BUT I ALWAYS REMEMBER TO BRUSH AFTER EATING THEM!

Brush! Floss! Brush! Floss!
